

CLINA

2017

Vaso soffiato a bocca e modellato a mano. La superficie lucida viene levigata e lucidata a mano in moleria per dare continuità alla curvatura della faccia tondeggiante.

Il resto della superficie viene satinato.

Disponibile in due colori, crystal blue-grey e crystal amethyst.

*Mouth-blown and handmade vase.
The shiny surface is polished by hand
to give continuity to the curve of the
round form.*

*The rest of the surface is satin-finished.
Available in two colours, crystal
blue-grey and crystal amethyst.*
