

ROCCO

2016

Vaso soffiato a bocca.
Caratteristica lavorazione del vetro
massiccio con nucleo sommerso in
colore e cristallo esterno.
Il pezzo viene battuto in molera per
creare la particolare decorazione
sculpta sul bordo.
Disponibile in due colori, crystal
blue-grey e crystal fumé.

*Mouth-blown vase. Characteristic
working of solid glass with sunken
coloured nucleus and crystal exterior.
The piece is wheel-engraved in the
studio to create the special decoration
around the edge.
Available in two colours, crystal
blue-grey and crystal fumé.*
