

CHARLOTTE

CARLO COLOMBO 2018

Serie di mobili contenitori disponibili in due altezze: 69 e 160 cm. La struttura è in massiccio e impiallacciatura di noce canaletto. E' disponibile:

- tutto noce canaletto;
- con il top e lo schienale interno in marmo disponibile nelle varianti Calacatta, Portoro o Zebrino, e la parte interna rivestita in pelle;

La versione alta può avere 6 cassetti, 6 cassettini e ripiano scorrevole, oppure con ripiani, 3 cassettini e 1 ripiano in metallo e vetro applicato sullo schienale con inserto circolare in marmo. In entrambi i casi è prevista una multipresa predisposta per 1 presa schuko, 1 presa RJ45 e 1 presa USB ad alta velocità. Il mobile alto presenta anche la versione bar, con schienale a specchio, 2 cassettoni e 2 cassetti.

La versione bassa può essere a 4 ante o a 4 ante con al centro 2 cassettoni, dotati di guide scorrevoli a scomparsa ad estrazione totale con sistema di chiusura silent system.

I vani sono dotati di luci a LED con sensore di accensione e spegnimento in dissolvenza per la versione bassa, e un sensore touch per la versione alta.

La base, con i piedini regolabili per il livellamento, e le cerniere sono in metallo verniciato disponibile in due finiture: color bronzo effetto naturale (fin.48) o color nickel nero (fin.5A).

A series of cabinets available in 2 heights: 69 and 160 cm. The structure is in solid and veneer of walnut canaletto wood. It is available:

*- all in walnut canaletto wood
- with top and internal back in Calacatta, Portoro or Zebrino marble, and the internal part covered in leather.*

The high version can have 6 drawers, 6 small ones and a sliding shelf, or with shelves, 3 small drawers and a metal and glass shelf applied on the back with a marble circle insert.

They are both equipped with 1 shuko, 1 RJ45 and 1 high-speed USB socket.

The high cabinet has also the bar version, with mirror back, 2 big drawers and 2 drawers.

The low version can have 4 doors or 4 doors with in the middle 2 big drawers, equipped with recessed sliding guides with silent closing system.

The internal compartments have LEDs with a fading switching on and off sensor for the low version, and a touch sensor for the tall one.

The base, with adjustable feet for the levelling, and the joints are in painted metal available in two finishes: bronze colour with natural effect (fin.48) or black nickel (fin.5A).
